Dear Leonidas

Thank you very much for taking the time recently to talk to Patrick and Caroline and interview for the role of Competition Manager for Volleyball. We thoroughly enjoyed speaking with you and hearing about your experiences and passion for your sport.

During the interview you clearly demonstrated relevant experience for the role and the capacity to be an effective team-member, but we have unfortunately decided not to progress your application to the final stage of selection. This difficult decision was taken due to there being stronger candidates in the shortlist for your sport.

We realise that this news may be disappointing, but we would like to congratulate you in reaching this stage amongst some 800 applications across the sports and sincerely thank you on behalf of London 2012 and your sport for your continued hard work and support.

News of future opportunities will be published on our website over the coming years and we hope that you will stay up to date with these developments www.london2012.com

Yours sincerely
